Welcome Shooters!

I am very pleased to extend a warm welcome to all of our attendees - competitors, referees, vendors, volunteers and guests - to our 2008 World Skeet Championships. This year we are hosting our 71st Annual Skeet Championships and your NSSA Staff, Officers and Directors are delighted that you are here with us! 2008 has been a challenging year for all of us and I especially appreciate the effort you have each made to travel to San Antonio to participate.

The World Championships always proves to be a great experience, and we again have a full week of activities on tap to ensure you have fun. Especially if this is your first trip to the National Shooting Complex and the World Shoot, please take advantage of all that is being offered. While you're here, please take a few minutes during the week to drop by our Museum and Hall of Fame for a wonderful view of the history of our game. Look for our Daily Shoot News flyer each morning to give you all the latest announcements throughout the Mini-World and the World Shoot week. And, even if you're a World Shoot "regular", if you have any questions about the schedule of events or the shoot program, please do not hesitate to ask one of our staff for assistance.

As always, we are interested in improving, so please feel free to offer your suggestions on how we can make this event even better in future years. We're striving to ensure you have a memorable week and that together, we have the best World Shoot ever!

As my term as your President draws to a close, I want to thank everyone in our great organization who has given me their support for the past two years. It has been my privilege to serve you! Your Association is in good hands with Bill Batty and the incoming Officers, Executive Committee and Directors, and I will continue to lend my support wherever it's needed.

I hope this year you shoot your personal best scores and you have a great week!

As ever,

Louise Terry, President

Certainly, there are cheaper ways to protect your hearing. But, if it is not comfortable to wear in every shooting or hunting environment, and if it doesn't allow you to speak and hear normally, chances are you will not wear it all the time. There are countless documented cases of shooters who have had their hearing destroyed, even from one shot. There is simply no finer, more practical hearing protection on the market for the shooter than ESP. Is it worth it? It depends on how much you value your hearing.

We guarantee the fit and function of all ESP products for one full year from date of purchase. Plus, we will refund your entire purchase price within the first 30 days if for any reason you are not completely satisfied. You'll find our service to be friendly, personal, and utterly professional at all times.

LEWIS CLASS PURSE

There will be FIVE CLASSES in the Lewis Class Purse, regardless of the number of entries. Offered in all Mini-World Events (except HOA); Doubles, .410, 28, 20, 12 Gauge Championships; Eastern and Western Open.

This system is based on the final scores as they are posted when the shoot has been completed and gives every contestant an equal chance to win, no matter what their shooting ability.

REMINDER: Your NSSA classification has nothing to do with your "class" in this Lewis Class purse. Your class for this optional purse will be determined solely by the rules below.

ENTRY FEE: \$10 per event
High Gun- 3 Places each class Split 50/30/20

For 250 Target 12 GA Championship
ENTRY FEE: \$20
High Gun- 3 Places each class Split 50/30/20

When all the shooting has been completed, the scores are listed in numerical order from the highest to the lowest. They are divided into as many groups as there are classes. For example, if there were 30 entries and 5 Classes, there would be 6 scores in each class. The highest score in each class would be the winner. Since there will often be odd numbers of entries and tie scores on the dividing line between the classes, the following rules have been established:

1. Where a short class is necessary, due to odd entry list, the short class or classes shall head the list.
2. Where the line of division falls in a number of tie scores, the contestants are assigned to the class in which the majority of the scores appear.
3. Where an equal number of tie scores appear on either side of the line, contestants shall be assigned to the head of the lower class.
4. Where the original division is changed, due to tie scores, this change shall apply only to the classes directly affected and the original division shall continue in the other classes.

For example, a shoot containing a 100-target program in which there are 5 Lewis classes and 33 contestants. Since the short classes are placed first, there would be 6 shooters in Class 1 & 2 and 7 shooters in Classes 3, 4 & 5. The final scores are arranged from highest to lowest and the lines drawn in between the classes.

A-B-C-D-E JACKPOT SHOOT-OFFS

Beginning on Saturday, Oct. 4, a number will be drawn and subtracted from the highest possible score of the day. Any A-B-C-D-E class shooter who has fired the "Lucky Score" is eligible to participate in the shoot-off for awards listed in the program for that day. (AAA & AA shooters are not eligible).

Example: On Saturday, Oct. 4, number 12 is drawn; the highest possible score of the day was 100, therefore the "Lucky Score" is 88. Any shooter in A-B-C-D-E class who fired an 88 in any event of the day is eligible to participate in the Jackpot Shoot-off.

On the day when more than one event is shot, participants must shoot the gauge with which the Jackpot score was shot. In the Jackpot Shoot-off Event on single event days, shooters must use that gun (or a smaller gauge). There will be two Jackpot Shoot-offs Saturday, Oct. 11, one for the .410 Event and the other based on HOA scores only. Shoot-off participants will use the .410 for these events. (Jackpot Shoot-offs do not include Champ of Champs or the 250 target 12 Gauge Main Event - It does include 12 Gauge East and West Events.)

The Lucky Score number will be drawn daily by 5 pm and announced over the public address system, posted on the main scoreboard and several places around the grounds. It is the shooter's responsibility to find out the Lucky Score and report to field 9 at 5 pm. Shoot-offs will be doubles at Stations 3, 4 and 5, miss and out by station using NSSA Rules. If lights become necessary, the shoot-offs will continue on fields 7 and 8 after the completion of the class shoot-offs.

Lucky Score numbers will be drawn for the following events:

Doubles, 12, 20, 28 and .410 - numbers drawn will be 5 through 20
125 East & West - numbers drawn will be 5 through 25
550 High Over All (HOA) - numbers drawn will be 5 through 35

No shooter classified in AAA or AA is eligible.
